The book cover features a stylized illustration. At the top, green leaves of a tree are visible against a dark blue sky. A thick, brown tree branch curves across the upper half of the cover. In the center, a small, light-brown, bat-like creature with large, dark wings is hanging upside down by its tail from the branch. To the right, a robin with a bright orange-red breast and a dark brown back is perched on a lower branch, looking towards the hanging creature. The background is a gradient of blue, suggesting a sky or water. The title is written in large, bold, yellow letters with a slight shadow effect.
